YAAL Scholarship Application

The Youth Actors Academy of Lincoln (YAAL) has a limited number of need-based financial scholarships for its classes. The intent of the YAAL Scholarship is to give performance opportunities to our community youth who may not otherwise be able to afford tuition costs. Our criteria are based on the guidelines established by the national free and reduced-lunch program. Eligible students may receive a total of two need-based scholarships in a 12-month period. The awarding of scholarships is based on the availability of scholarship funds.

If you are interested in a full or partial scholarship for your child, let us know which class you are interested in and anything you would like us to know about your child. Thank you for your interest!
